Client Testimonial Form

Please comment on yours / your child's experience with your lessons at Lanson School of Music.

Ben has taught two of my children to play the drums. I have found him to be a skilled teacher who has tailored the lessons to the individual child's ability. My boys have always enjoyed their lessons and have been motivated by Ben to try hard and improve their practice.

Please write about your teacher in your own words, what he/she does, quality of his/her service etc.

Ben is a reliable teacher. He arrives on time and is a pleasant and accommodating person. He has been very understanding when we have needed to make changes to our lesson times. Ben is an excellent communicator and will phone or text when arrangements are altered.

Please indicate if you would recommend Lanson School of Music to others interested in learning the drums, guitar, bass guitar, singing or piano and if desired why or why not.

I have recommended Ben to my friends. I am happy to have him in my home even when I am not able to be there. I am confident that he will always provide excellent service.
